DECS MEMORANDUM  
No. 200, s. 1987

1987 INTERNATIONAL AGRO-FOOD TECHNOLOGY/AGRICULTURE  
EXHIBITION AND CONFERENCE AT THE PACC  
MANILA ON NOVEMBER 4-6, 1987

To: Regional Directors,  
Presidents, State Colleges and Universities,  
Vocational Schools, Superintendents and Administrators,  
Heads of Private Schools, Colleges and Universities

1. "Remembered as the 'AGROFOOD' year, the event is seen as a benchmark of recognition for the Department of Agriculture and Department of Trade and Industry who have been bestowed the honor to sponsor this global exhibition/conference. It is noted that this is the first ever to be promoted in the Philippines. To every Filipino agriculturist and aquaculturist, the exhibition/conference is an event to look forward to and a once-in-a-lifetime opportunity. Needless to say, the exhibition/conference will definitely provide professors and students of agriculture opportunities for growth and developmental experience. Likewise, it will also provide them the chance to know the most advanced showcase of agricultural equipment and technology from various countries.

2. Authority is hereby given to heads and selected faculty staff of agricultural schools, colleges and universities to attend the exhibition/conference at official time provided the interest of the Service is not sacrificed.

3. Immediate dissemination of this Memorandum is desired.
