DECS MEMORANDUM
No. 90, s. 1997

**IMPLEMENTATION OF THE DECS COMPUTERIZATION PROGRAM
FOR SY 1997-1998**

To: Undersecretaries
Assistant Secretaries
Regional/Bureau Directors
Schools Division Superintendent

1. In consonance with the thrust of DECS to prepare itself for the 21st century, a Ten-year Modernization Program: 1996-2005, is being implemented. A major component of this Program is the Computerization Project that is scheduled to take off in 1997-1998.
2. One of the two major activities in the Project is staff development which would involve school managers, teachers and support staff coming from recipient elementary and secondary public schools (See Inclosure # 1) and offices at the sub-national levels all over the country.
3. The DECS Regional Offices shall be responsible for the implementation of the staff development program to support the Computerization Project. For this program, the DECS Central Office shall sub-allot to each region the funds to cover the estimated training cost determined on the basis of the targetted number of administrators, teachers and support staff to be trained (See Inclosure #2).
4. The following guidelines are presented for the implementation of the staff development program:
 - Regional Offices shall contract the services of NEAP-accredited providers. They may authorize Division Offices to undertake the contracting using funds provided by the Regional Offices.
 - Training programs which shall last for 7 to 13 days per batch of participants should start in April and terminate before the opening of classes in June 1997. By this time hardware for the different school/office-recipients shall have been distributed.

Handwritten signature/initials

- The training curricula for school managers, teachers and office staff are provided in Inclosure 3. Softwares to be acquired based in school/office needs shall be bought from the funds sub-alloted to the regions.
- Should the training funds provided by DECS Central Office be inadequate to cover the training needs, the Regional Offices may augment the funds from the mandated 5% INSET allocation from the Regional MOOE .
- The Regional Offices shall submit to NEAP (Attn.: Dr. Fe A Hidalgo) on or before April 15, 1997, a report on the training program to be conducted/contracted specifying therein, among others, the type of training, targetted number and category/(administrators, teachers, support staff) of participants, date, duration and venue of training, the service provider and cost of training/contracted cost.

5. Task force members shall monitor the regional training per the schedule submitted to NEAP as soon a finalized. A report on the training program actually conducted should be submitted to Undersecretary Alejandro Wilfredo D. Clemente (Attn.: Dr. A.P. MENDOZA, BSE) not later than June 15, 1997.

6. Wide dissemination of this Memo to all concerned is expected.
