DECS MEMORANDUM
No. 327, s. 1997

TRAINING OF TRAINORS FOR THE NCE PROGRAM

To: Regional Directors
Schools Superintendents
Divisional Leader Schools
Private Elementary and Secondary School Principals
Vocational High School Principals

1. The University of Asia and the Pacific (UA&P), in coordination with the Central Office of the Department of Education, Culture and Sports, announces the holding of the advanced trainers training program for the National Culture of Excellence (NCE), which was the subject of a Memorandum of Agreement and Understanding among DECS, UA&P, Bank of Commerce (BOC), Pilipino Telephone Corporation (PILTEL), and the Philippine Association of Secondary School Administrators (PASSA).
2. The objective of the training is to provide the participants with the specific orientation and methodology of the NCE, including the strategies of institutionalizing it in the school set-up. The intense training of the participants will provide an efficient pool of resource persons, facilitators and lecturers to cope with the training personnel requirements of the NCE program for the regions. A roster of alumni and students invited to the advanced training is inclosed.
3. Participants to the advanced trainers training series are selected graduates and students of the Master of Arts in Values Education (MAVE) of UA&P, who will be utilized to spearhead the awareness and institutionalization phases of NCE in the regions. Participants should prepare and submit to DECS their action plan to implement/disseminate training gains in their specific division/region. Teacher-participants may attend the conference depending on the availability of substitutes.
4. The training shall be held at Teachers Camp, Baguio City on November 13-17, back to back with the National Conference organized by the UA&P earlier.

5. A registration fee of two thousand pesos (P2,000.00) shall be charged each participant to cover accommodations from lunch of registration day (the first day in the schedule) until breakfast of departure day (the last day in the schedule). The cost of materials, personnel resources, and training development shall be borne by the corporate sponsors. The registration fee and other incidental expenses to participation in the series shall be charged against local school funds, subject to its availability and the usual accounting and auditing rules and regulations.

6. In view of the pedagogical and developmental significance of this training series to the effective implementation of the NCE down to the school level, this Office encourages school officials to allow the invited teachers to attend. Concerned participants shall make arrangements with their respective teacher-advisers regarding classroom attendance.

7. Immediate dissemination of this Memorandum to all concerned is desired.
