DEC S MEMORANDUM
No 156 s 1999

ADDENDUM/CORRIGENDUM TO DECS MEMORANDUM NO 77, S 1999
(Training Program for the Institutionalization of the Thinking Skills
Development for Maximized Cognitive Performance (TSD MCP)

To **Regional Directors**
Schools Superintendents

1 The expected participants to the training program for the institutionalization of the TSD MCP were identified in DECS Memorandum No 77, s 1999. However, the confirmation sheets submitted to BSE indicate that a big number of school principals are interested in participating in the training program.

2 Due to funding problems, this Department is constrained to accept participants to the training on a first come-first served basis. The list of schools that have been accepted into the program is inclosed. These schools are authorized to send a) one first year English or Science teacher and b) one English head teacher. Likewise, the schools' division and regional offices are invited to send a) one ES I, and b) one ES II.

3 Teacher participants are requested to bring a complete set of first year textbooks to be used during the workshops. The participants in the training program shall serve as core trainers when they return to their respective schools/divisions/regions.

4 It is reiterated that this Department shall subsidize only the training of the teacher participants. The head teachers and the supervisors shall be charged a registration fee as stated in Appendix A of DECS Memorandum No 77, s 1999.

5 All other schools that have signified their intention to participate in the Program shall be accommodated in a later training which will be conducted either at the regional or division level. The principals who have indicated their willingness to participate in the training at the national level are advised to join the regional or division level training.
