DECS MEMORANDUM

No. 194, s. 1999

TEACHING SCIENCE THROUGH INTERACTIVE APPROACH

To: Regional Directors  
Schools Division Superintendents  
Principals, Elementary and Secondary Schools

1. The Philippine Foundation for Science and Technology (PFST), a non-stock, non-profit organization engaged in the promotion of Science and Technology, is implementing a training on the "Teaching of Science Through Interactive Approach" for School Year 1999-2000 in the different regions.
2. This training program aims to: a) introduce the interactive learning system as an alternative method of teaching science; b) integrate the hands-on interactive approaches in the science curriculum; c) introduce guidelines in test construction in science; and, d) introduce other forms of media as tools for the preparation and presentation of instructional materials in science teaching.
3. Participants to this seminar-workshop are teachers handling Science both in elementary and high schools.
4. Attendance of participants to this activity may be allowed depending on their needs, on official time only.
5. For inquiries on seminar schedules and seminar fees, call the PFST, UP-Manila Compound, Pedro Gil St., Ermita, Manila, Tel. Nos. (632)525-87-52; 0917-526-63-56.
6. Immediate dissemination of this Memorandum is desired.
