DECS MEMORANDUM
No 200 s 1999

BAGO YAN AH

To Undersecretaries
Bureau Directors
Regional Directors
Assistant Secretaries
Schools Superintendents
Heads of Private Schools
Chairman, CHED

- 1 The ABS CBN Foundation in coordination with the Department of Science and Technology and this Department is producing a science radio show for the youth and adults which is broadcast every Sunday 3 00 5 00 p m. over DZMM, 630 Mhz.
- 2 Bago 'Yan Ah, is a unique and pioneering kind of radio program specially designed to develop the Filipino into an information conscious individual equipped with information on the latest scientific developments and successful transfer of technologies, using the internet as one of its major sources of information. The information also seeks to upgrade the quality of life of the Filipino in his daily chores
- 3 Bago 'Yan Ah, also aims to be the Media Center LINK of the different government, non government organization and individuals, specially the youth in the dissemination of related information and updates of the technologies developed in the Philippines in the hope that collaboration and coordination among these parties can speed up the progress of science effectively in schools as well as motivate the private sector to support scientific activities and projects
- 4 All heads of schools are enjoined to encourage the students and teachers to listen to the program and utilize the information for their science projects, assignments and household chores Any noteworthy science projects of the students, teachers and parents worth sharing with the nation are welcomed by the radio program.
- 5 The teachers are requested to monitor the listening through assignments and utilize the learnings from the program in their Science lessons
- 6 Immediate dissemination of this Memorandum to all concerned is desired.
