**DECS MEMORANDUM**

No 305, s. 1999

**BREAKFAST FEEDING PROGRAM FOR GRADE I**

**To Regional Directors  
 Schools Superintendents  
 District Supervisors**

1 The Bureau of Elementary Education through the Dropout Intervention Program (DIP) is providing breakfast feeding to Grade I pupils starting August 1999. Fifty (50) schools with high dropout rates from the school divisions included in the Social Reform Agenda (SRA) are the recipients of this program.

2 The experimental and control schools of the Lingua Franca Education Project from the sixteen (16) regions are also included in the program.

3 Foodstuffs for the feeding program consist of the following: supersnack beef, supersnack mongo, supersnack chicken, supermacaroni beef and supermacaroni chicken. These foodstuffs are in sealed plastic packs and prepared by the Philippine Nutrifoods Corporation (PNFC), an exclusive distributor of these food products. A certification to this effect is inclosed (Inclosure No. 1).

4 The foodstuffs will be delivered to the district offices of the schools concerned. Delivery to the schools will be taken care of by the district. Expenses in the delivery shall be charged against local funds subject to the usual accounting and auditing procedures. It is requested that the foodstuffs be delivered immediately to the schools concerned upon receipt from the forwarder so as the feeding program can be implemented right away. The foodstuffs may still be consumed within thirty (30) days after the expiry date, as per instruction from the PNFC. Inclosed are the list of schools and the guidelines for the feeding program (Inclosure No. 2).

5 For immediate dissemination and compliance of all concerned.

*Andrew Gonzalez*  
 ANDREW GONZALEZ, FSC  
 Secretary

Incls As stated

### Certification

#### TO WHOM IT MAY CONCERN

This is to certify that the PHILIPPINE NUTRI FOODS CORPORATION (PNFC) is a private corporation and subsidiary of the Nutrition Center of the Philippines. PNFC is the exclusive distributor of Nutri paks (chamorado, mungo, beef, chicken, raisins & nuts and ginataan flavors), Gro biscuits (chocolate and butter flavors) and Nutri noodles (beef and chicken flavors), Super snacks (chamorado, mungo, ginataan, raisins & nuts, chicken, beef flavors), Super Macaroni (beef and chicken flavors), Ilang Salt, Nutri Milk, Nutri Shirts, Nutri Mugs, Scandi Jugs and Nutri scale a) 25 kg capacity bar scale with crib b) 60 kg capacity platform scale with weighing pan for toddlers.

That is producer and exclusive distributor of the aforementioned commodities. This subsidiary sells these products at the lowest and best price in the market.

That we have not appointed any dealer for the above products and that to the best of our knowledge we are not aware of any other third party/ies marketing these items lower than our selling price.

That this certification is being issued upon request of Bureau of Elementary Education

  
FLORENTINO S. SOLON, M.D., M.P.H.  
Executive Director

### **GUIDELINES FOR THE BREAKFAST FEEDING PROGRAM**

- 1 Each pack of foodstuff is good for ten servings. If there are forty pupils four packs will be cooked every day. The directions for cooking are indicated in each pack.
- 2 There are five different kinds of foodstuff to be cooked on rotation basis during the week for variety.
- 3 The foodstuff should be stored in a safe and sanitary place free from contamination or destruction of household pests.
- 4 Breakfast time is between 7:00 to 8:00 a.m. The teachers may request parents to assist them in the food preparation.
- 5 Table manners and health habits should be observed during eating and before and after eating.
- 6 Before the feeding program starts the teacher should record the height and weight of her pupils to determine their nutritional status. At the end of the school year the same measures should be taken to find out improvement in their nutritional status.
