DECS MEMORANDUM
No 195 s 2000

SUMMER ACTIVITIES OF SCHOOL HEALTH AND NUTRITION PERSONNEL

To Regional Directors
Schools Division/City Superintendents

1 During the summer months of April and May the health and nutrition personnel have no activities to be done in the schools, thus they report to the division office. There are however, specific performance targets which have to be undertaken hence all school health and nutrition personnel are expected to give priority to the conduct of the following activities:

- a health examination of division/regional office personnel and teachers
- b capability building
- c updating of data bank
- d planning of performance targets for June to December
- e conduct of information campaign on the prevention and control of diseases common during the summer months,
- f active participation in the Garantisadong Pambata and
- g assistance to the enrolment of school entrants

2 The Regional Health and Nutrition Unit staff are expected to monitor the activities and consolidate the health data for inclusion in their 2nd quarter report

3 School health personnel assigned in island districts may be requested to serve in the area and need not report to the division office everyday to minimize travel expenses. However a program of activities should be prepared by the concerned personnel in close coordination with the school principal/district supervisor in their area of assignment and the school's medical officer, and approved by the schools division superintendent and their performance shall be monitored by the schools medical officers. However they will report to the division office once a month to render a performance update

4 Immediate dissemination of the contents of this Memorandum is desired
