DECS MEMORANDUM
No 253, s 2000

**RECOGNITION OF THE DECS TEACHER-SCHOLARS WHO HAVE COMPLETED
THE 14 MONTHS CUSTOMIZED SPECIAL SCHOLARSHIP MASTERAL
PROGRAM AND THE DECS INTEGRATED SCHOLARSHIP
PROGRAM RECIPIENTS**

To Regional Directors
Schools Division/City Superintendents

1 DECS congratulates the teachers from the different regions of the Philippines who have successfully completed this May and who will complete in June July and August 2000 the DECS 14 Months Customized Special Scholarship Masteral Program held in the different universities (see attached list of scholars by region/course)

M A Music Education at Philippine Women s University
M A Economics at the University of Asia and the Pacific
M.A Chemistry and M A Physics at De La Salle University
MST Biology and MIST Math at the Ateneo de Manila University

2 DECS congratulates the regional directors schools division/city superintendents supervisors and principals of these DECS scholars for their crucial support of the program Now that these scholars are returning to their respective schools may we request that they be supported and allowed to implement the new modules lesson plans, video lessons and other lesson exemplars for their subject area that they have made during their masteral studies

3 DECS is also requesting your help in monitoring and supporting the echo-seminars the scholars will conduct among the subject area teachers in the district or division This is one of the requirements of the scholarship program each scholar is expected to conduct at least one echo-seminar per semester for two years with the help of other scholars or subject area experts

4 We expect our DECS scholars to submit to DECS-NEAP a written report and documentation of their echo-seminars after its completion and their other re-entry project.

5 The recipients of the DECS Integrated Scholarship Program (DISP) during the summer should also be allowed to apply what they have learned under your supervision DISP scholars in UP-ISMED will pilot the use of teaching plans which show the stepwise development of concepts per lesson as well as the specific objectives in terms of manipulative and thinking skills
