DECS MEMORANDUM
No. 274, s. 2000

INSTITUTIONALIZING COLLECTION OF USED BEVERAGE CANS (UBCs)
FOR TAHANANG WALANG HAGDANAN

To: Undersecretaries
Assistant Secretaries
Bureau Directors
Directors of Services, Centers and Heads of Units
Regional Directors
Schools Division/City Superintendents
Private Elementary and Secondary Schools Principals

1. The Tahanang Walang Hagdanan, Inc. (TWHI) is a non-government organization that helps persons with disabilities (PWDs) gain productive lives through rehabilitation, skills training and employment.
2. In 1998, the Department of Education, Culture and Sports (DECS) started cooperating with the TWHI in the collection of Used Beverage Cans (UBCs) in selected regions. All UBCs collected are recycled as aluminum tubing and shafting for wheelchairs, crutches, canes and walkers manufactured by TWHI's 400 differently-abled workers.
3. As an added boost to the project, William, Gothong & Abotiz, Inc., Coca-Cola Bottlers Philippines, Inc., and Reynolds Philippines Corporation have pledged their support for the initiative specially in the identification of collection points in all parts of the country where cooperating schools, offices and individuals may drop-off their UBCs.
4. Due to the benefits that may be derived from the project, particularly in instilling the values of volunteerism, social responsibility and environmental protection among young people, all Regional Directors are encouraged to support the project and ensure its success.
5. For purposes of institutionalization, all regional coordinators of the Ecological Waste Management Program are hereby appointed as focal persons for UBC collection in the region. In case of promotion, detail or retirement, the Regional Director may appoint a new coordinator for the purpose. At the DECS Central Office, the Center for Students and Co-Curricular Affairs (CSCA) is the assigned focal point for this campaign.
6. To help jumpstart the project in the regions, everyone concerned is enjoined to support the project's regional launches and advocacy campaign.

7. Enclosed, for information, is the list of EWMP regional coordinators and the addresses of UBC collection points nationwide. A brochure outlining the details of the project shall be produced and disseminated to the field soon. For further details, interested parties may call the DECS-CSCA through telephone nos. 631-8495 or 636-3603.

8. Immediate and wide dissemination of this Memorandum is desired.
