1. In compliance with Presidential Proclamation No. 1098, s. 1997 declaring the month of October of every year as Consumer Welfare Month, the Department of Education, Culture and Sports (DECS) takes the lead in coordination with the National Consumer Affairs Council (NCAC) in announcing the national celebration of consumer welfare for the whole month of October 2001 with the theme "Consumer Empowerment Through Critical Education".

2. In Article 154, Chapter II of the Consumer Act of the Philippines (Republic Act No. 7394) states that, *The DECS, with the cooperation and advice of the Council, shall develop and adopt a consumer education program which shall be integrated into existing curricula of all public and private schools from primary to secondary levels. A continuing consumer education program for out-of-school youth and adults shall likewise be developed and undertaken. The consumer education program shall include information regarding:*

a. *The consumer as a responsible member of society and his responsibility to develop:*

- 1) *critical awareness which is the responsibility to be alert and questioning about the use of and the price and quality of goods he uses;*
- 2) *assertiveness which is the responsibility to assert himself and act so he is assured of a fair deal, aware that for as long as he remains to be a passive consumer he will continue to be exploited;*
- 3) *social concern which is the responsibility to be aware of the impact of his consumption on other citizens, especially the disadvantaged; and*
- 4) *environmental awareness which is the responsibility to understand the environmental consequences of his consumption, recognizing his individual and social responsibility to conserve natural resources for future generations;*

- b. *Consumer rights; and*
- c. *Practical problems the consumer faces in daily life.*

3.
