DepEd Memorandum
No. 132, s. 2002

JUL 24 2002

THE FIRST NATIONAL CONFERENCE ON E-LEARNING

To : Undersecretaries
Assistant Secretaries
Bureau Directors
Regional Directors
Schools Division/City Superintendents

1.   The First National Conference on E-Learning will be held on August 1-2, 2002 at the Manila Hotel, Roxas Blvd., Manila. The Conference is a project of the Office of the President and is organized by the Information Technology and E-Commerce Council (ITECC) through its Human Resource and Development Committee.

2.   With the themes "Education in a Knowledge-Based Society" and "Education and Technology", the Conference aims to bring together educators, administrators, planners and technology providers interested in exploring the potential of using new technologies in the field of education. The Conference will also be a venue for sharing experiences, launching of collaborative activities and setting goals for future development efforts.

3.   Participants to the Conference include school administrators, teachers, Regional IT Coordinators, educators and educational planners from the basic education, vocational-technical education and higher education sub-sectors. Attached is the list of schools recommended and encouraged to participate and the suggested set of criteria for selecting participants.

4.   A conference fee of two thousand pesos (P2,000.00) shall be charged each participant to cover the costs of conference materials, access to exhibits and food during conference hours. Conference fee and other incidental expenses relative to the participation in the Conference shall be charged against local school board and/or office funds, subject to availability and the usual accounting and auditing procedures.

5.   Also enclosed is the conference announcement for information and registration.

6.   Immediate dissemination of this Memorandum is desired.

FE A. HIDALGO
Undersecretary

"Bawat Graduate, Bayani at Marangal"

Be a Delegate!

1st National Conference on eLearning

August 1–2, 2002 • Manila Hotel, Roxas Boulevard
Conference Fee: P2,000

Global developments in elearning technologies and practices present us with unique opportunities, both for discovering and effectively using those technologies for educational purposes, and for helping sustain the global competitiveness of our local workforce.

This 1st National Conference on eLearning, with the theme *eLearning in a Knowledge-Based Society*, will bring together educators, administrators, planners and technology providers interested in exploring the potentials of new technologies in the field of education. Likewise, it will be a venue for sharing experiences, launching collaborative activities and setting goals for future development efforts.

Join us and explore the wealth of possibilities elearning technologies present well beyond the four walls of the classroom.

eLEARNING
