Office of the Undersecretary

DepEd Memorandum
No. 146 s. 2002

AUG 16 2002

National School Resources Management Survey (SRMS)

To : **Regional Directors
Schools Division Superintendents
District Supervisors
Public Elementary and Secondary School Heads**

1. The Department of Education (DepED), in collaboration with the Department of Budget and Management (DBM), is undertaking a National School Resources Management Survey (SRMS). The objective of the survey is two-fold:

- establish information on i) staffing (teaching and non-teaching); ii) MOOE to schools; iii) LGU and other local contributions to the basic education system; and iv) allocations for textbooks, desks and schoolbuildings; and
- assess the effectiveness of the management and information systems that are currently in place.

2. It is envisioned that the result of the survey will help this Department in improving its delivery by understanding how the resources and public spending are translated into services to produce schooling outcomes.

3. In order to achieve the objectives of the study, the survey will be conducted through: i) direct interviews with and self-accomplishment of questionnaires by selected DepEd personnel at the school, district and division offices; ii) interview of selected local government unit (LGU) officials involved in the programming, allocation and monitoring of Special Education Fund; and iii) collection of existing forms required by this Department and other related locally designed forms available at the schools, districts, division levels as well as from the LGUs.

4. Using stratified sampling based on the list of all public elementary and secondary schools, the list of sampled schools, district and division offices to be covered by the survey is shown in Inclosure No. 1. It is understood that provincial, city and municipal governments where sample schools are located are automatically considered as the sample LGUs for this study.

5. The actual field survey will take place from August 21 to September 15, 2002 with the assistance of selected staff from the Department of Agriculture-Bureau of Agricultural Statistics (BAS) who will serve as enumerators. The BAS field enumerators will coordinate with the concerned Division Offices for the schedule of visit to sampled schools.

6. To facilitate smooth implementation and early completion of the survey, all concerned are requested to:

6.1 ensure availability for interviews of the following:

- a. Division level: Superintendents, Supply Officers, Planning Officers, Accountants;
- b. District level: District Supervisors and designated Property Custodian; and
- c. School level: School Heads, designated Property Custodians and a number of teachers who will be selected at random during actual school visits by the field enumerators. Presence of Accountants and Supply Officers/ Property Custodians are also required for secondary schools whose funds are directly released by DepEd regional offices.

6.2 make arrangements with the provincial/city/municipal government officials who are in-charge or knowledgeable of the Special Education Fund (SEF).

6.3 provide the field enumerators with one (1) set of photocopies of the duly accomplished forms as listed in Inclosure No. 2 and any other related locally designed forms covering the FY 2001 and 2002 and SY 2001-2002 and SY 2002-2003.

7. All concerned are enjoined to intensify the implementation of and extend full cooperation to this national survey.

8. For immediate dissemination and compliance.

RAMON C. BACANI
Undersecretary

Encls.:
As stated
