DepEd MEMORANDUM
No. **3**, s. 2003

**SAMPLE SCHOOLS FOR TRENDS IN INTERNATIONAL MATHEMATICS
AND SCIENCE STUDY (TIMSS) 2003**

To: **Regional Directors**
Schools Division/City Superintendents
School Heads or Principals

1. The Philippine participation in the Trends in International Mathematics and Science Study (TIMSS) 2003, is a project of the Department of Education (DepEd), and the Department of Science and Technology (DOST).
2. Part of the project is the Main Survey Phase wherein elementary and high schools have been selected as sample participating schools in the regions. (The list of sample participating schools per region is hereby attached).
3. The total number of schools sampled in both elementary and high schools in all the regions is 320, or 160 per level. The target total number of schools to be tested is 300 or 150 per level. Thus, a total of 20 or 10 schools per level will be excluded on the basis of inaccessibility, or reasons of threat and security. Thus, the region's immediate feedback on the schools in the sample list which are either inaccessible or which pose threats in security is urgently needed. This information should be submitted to the TIMSS 2003, Philippine Coordination Office, Vidal Tan Hall, UP Diliman, Quezon City 1101, fax no. (02) 928-26-25 and e-mail address: timss@ismed.up.edu.ph.
4. The Main Survey Phase includes testing particularly the Grade 4 and Second Year High School students in Science and Mathematics, and the administration of questionnaires to the principals or heads of the sample schools, as well as to the Science and Mathematics teachers of the students. The Main Survey Phase will be done in March 2003.
5. Relevant information about the schools and respondents will be gathered prior to test administration. Attached also is the Survey Form to be accomplished or filled out by the school heads, and to be sent back to the TIMSS Philippine Coordination Office by fax or by e-mail on or before January 9, 2003.
6. One section per school will be randomly selected to participate in the testing after which the principal or school head will be informed of the section selected. The school head or principal is further requested to submit the list of students in the selected section to the TIMSS Philippine Coordination Office by fax or e-mail on or before January 16, 2003. 

7. Immediate dissemination and compliance with this Memorandum is desired.
