DepED MEMORANDUM  
No. 151, s. 2006

**REGION/DIVISION-LED CAPABILITY-BUILDING PROGRAM FOR HIGH SCHOOL  
NON-SPECIALIST TEACHERS IN SCIENCE AND MATHEMATICS**

To: Regional Directors  
Schools Division/City Superintendents  
Heads, Public Secondary Schools

1. As part of the continuous capability building of non-specialist secondary school teachers in science and mathematics, a five-day in-service training shall be conducted for these teachers who will not undertake or cannot be accommodated in the First Term of the Certificate Program leading to a minor in science or mathematics this summer 2006.
2. The training program shall include content, strategies in teaching the content, investigatory projects appropriate to the content, care and use of equipment, and assessment for learning.
3. The training may be conducted in the Division if the number of participants for each discipline is at least 30 (that is, 30 in Mathematics and 30 each in General Science, Biology, Chemistry, and Physics). Otherwise, it is recommended that the training be conducted in the Region to cover a cluster of Divisions. It will contribute to the effectiveness of the training if the aggregate number of participants by discipline does not exceed 50. Beyond this number, training by batch is suggested.
4. Resource persons from the teacher education institutions in the Division or the Region may be tapped to provide additional expertise to the Division's/Region's pool of trainers.
5. The budget for the training shall be drawn from the DepED allocation under the Pump Priming Programs in Education for 2006. For budgeting purposes, training proposals should be transmitted to the Bureau of Secondary Education (**Attn.: Ms. Bella O. Mariñas** at telefax nos: (02) 632-7586 and (02) 633-7267 not later than April 24, 2006.
6. Immediate and wide dissemination of this Memorandum is desired.
