DepED MEMORANDUM
No. 150, s. 2007

SCHOLARSHIP FOR MATH AND SCIENCE SUPERVISORS AND MASTER TEACHERS

To: Bureau Directors
Directors of Services/Centers and Heads of Units
Regional Directors
Schools Division/City Superintendents
Heads, Public Elementary and Secondary Schools

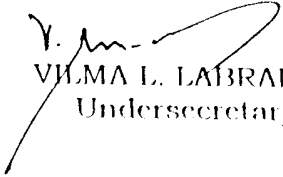

1. The Department of Education (DepED) through the National Educators Academy of the Philippines (NEAP) with E-World International University is offering a Scholarship Program in Math and Science Using the Blended Learning Approach, for selected DepED Math and Science supervisors and master teachers on April 12 -13, 2007 at E-World, Suite 2101 Prestige Tower, F. Ortigas Jr. (formerly Emerald Avenue), Ortigas Center, Pasig City. (see enclosed map)
2. As part of its contribution to the Adopt-a-School program of DepED, E-World International University is providing this blended learning course, that includes two-days face-to-face training (April 12-13, 2007) and 36 hours of on-line learning or distance education, to:
 - a. introduce supervisors and master teachers to a program that will develop their competencies and aid them in their training of teachers in Math or Science;
 - b. provide them with resources, new skills, and creative teaching methodologies to develop a deeper conceptual understanding of math and science; and
 - c. aid them in discovering their own knowledge gaps, target areas needing skills and improvement through regular individual assessments and tracking of their own progress in the 36-hours course.
3. A total of 75 participants for 4 regions and 45 divisions (the regional or division supervisor or master teacher for Math/Science) are invited for this training: (see Enclosure No. 4 for allotment for the regions/divisions: 68 participants.

Seven participants will come from the Central Office:

- Two (2) from BEE (Education Specialist in Math; Science)
- Two (2) from BSE (Education Specialist in Math; Science)
- Two (2) c/o NEAP
- One (1) from NSTIC

It is expected that the selected participants have basic computer skills and that they will conduct a training program for the teachers in their region and division after they have completed this Math/Science Blended Learning Program.

4. This scholarship is subsidized by E-World International University for the 75 participants and covers the two-days training program and the 36 hours online distance learning course, handouts and other materials. However, participants shall shoulder transportation, accommodation, meals and other incidental expenses, which they can charge against local funds subject to the usual accounting and auditing rules and procedures. DepED-CO staffs' honoraria, TEV, meals and other incidental expenses will be charged to OSEC Training and Development Fund.
5. Enclosed are the following for reference:
