DepEd MEMORANDUM
No. **367**S. 2007

SEP 11 2007

CURRENT TRENDS IN READING PEDAGOGY – YEAR II
(Sustaining A Culture of Literacy in the School)

TO: Regional Directors
Schools Division/City Superintendents
Heads, Public and Private Secondary Schools

1. Literature shows how language is used in authentic contexts. The authenticity of the language of literature in the natural way it is uttered encourages the students to talk and share more freely about their opinions, ideas, feelings and beliefs on important issues at hand.
2. In order to stimulate language acquisition and development in schools, the Bureau of Secondary Education (BSE) in cooperation with the British Council (Philippines) shall conduct a five-day training program that will promote the capacity of secondary schools to sustain a schoolwide literary culture. The training workshop will be held in two clusters, namely, Luzon cluster (October 14-19, 2007) and Visayas and Mindanao clusters (October 21-26, 2007) at a venue to be announced later. Schools involved in these regional clusters are advised to adjust the schedules of their semestral breaks to fall within the period of their attendance to this training program. This sem-break adjustment is being made pursuant to DepEd's time-on-task policy.
3. For the purpose of modeling, the schools that have been identified are those that can serve as lead schools in the division in sustaining the literacy culture. For Year II implementation of the program, attached is the list of participating schools as contained in the enclosure of DepEd Memorandum No. 312, s. 2006.
4. Interested participants from the private schools may make special arrangements with their respective heads should they want to attend the said training workshop. The expenses to be incurred by the participants coming from the private schools shall be shouldered by the participants or by the school/s sponsoring them.
5. The participants from each of the identified schools shall be the school head, one (1) Year II teacher in each of the following areas: English, Math, Science, TLE, and MAPEH (Health). The participants from the division shall be the Assistant School Division Superintendent, and from the region, it shall either be the Chief or the Assistant Chief of the Secondary Education Division.
6. The actual transportation expenses, per diem, board and lodging of the participants, extra duty allowance of the training team, honorarium of resource persons and consultants, and other expenses of BSE staff, supplies and training materials shall be charged against DepEd HRDT Funds, subject to the usual accounting and auditing rules and regulations.
7. For more information, please contact Mr. Angelito O. Pineda / Ms. Josefina Sta. Maria, Bureau of Secondary Education at telephone numbers 632-75-86, 633-77-46.
8. Immediate dissemination of this Memorandum, to all concerned is desired.
