DepED MEMORANDUM
No. **400**, s. 2007

SUSTAINING NATIONAL ENGLISH PROFICIENCY PROGRAM (NEPP)
MENTORING IN ELEMENTARY AND SECONDARY SCHOOLS THROUGH
DIVISION QUARTERLY/DISTRICT MONTHLY CIRCLE MEETINGS

To: Bureau Directors
Regional Directors
Schools Division/City Superintendents
Heads, Public Elementary and Secondary Schools

1. The Department of Education (DepED), through the Bureau of Elementary Education and Secondary Education and after the National Training of Trainers (TOT), the Regional Conduct of the NEPP Phase II – Mentor Training Programs for Mentor Teachers and Phase IV – Orientation of School Administrators to Support School-Based Mentoring, encourages the implementation of school-based mentoring through the various modes of English language mentorship.

2. **Re: Elementary Mentoring Through the Bureau of Elementary Education**

- I. For the pilot mentoring in the elementary level in support of the Every Child a Reader Program (ECARP), for the USAID-EQuALLS Phase I – pilot schools in Region IX and ARMM, and the Superintendents and District Supervisors are to continue the support to the Division Quarterly/District Monthly Circle Meetings as well as monitoring using the enclosed instrument as applicable. A list of the schools concerned is enclosed.
- II. For the rest of the regions (I, II, III, IV-A, IV-B, V, VI, VII, VIII, X, XI, XII, CAR, CARAGA, NCR and Regional Batch from Regions IX and XII under DepED regional training) which trained elementary teachers in Phase II –English Language and Reading “Gabay” Training in Summer of 2007, the **Organization and Conduct of Division Quarterly/District Monthly Circle Meetings for Mentors Should be Implemented** to:
 - a) continue the professional growth of the concerned teachers through demonstration lesson, inputs from invited guests from NEPP-Central Office or Division and Regional supervisors;
 - b) give time to share best practices;
 - c) solve difficulties in mentoring and teaching; and
 - d) create an environment which fosters solidarity in the common aim to raise the standards of teaching/learning.

III. For regions that have both the regional trained mentors and the mentors from the EQuALLS assisted trainings should organize and conduct Division Quarterly/District Monthly Circle Meetings together, taking into consideration that the EQuALLS mentorship training is a DepED program, so there must be no separation of the activities. Teachers trained in both programs are recognized as NEPP Mentors.

3. Re: Secondary Mentoring Through the Bureau of Secondary Education

All 17 DepED regions with trained mentors in English are encouraged to organize the Division Quarterly/District Monthly Circle Meetings for the same purpose to strengthen the interest in advancing proficiency in the English language and sustain further the mentorship program. The supervisors of the divisions had been trained to conduct the monitoring visits and may use the **enclosed instrument**.

4. The Post Test for Secondary Mentor Teachers will be conducted within the month of November 2007, while the Post Test of the Elementary mentors will be conducted within the month of May 2008. Schedules and details will be announced later.

5. Implementing Guidelines, and other suggested activities in mentoring will be issued in a separate Memorandum. All division NEPP Coordinators are required to submit their schedule for the Quarterly Mentors Circle Meetings.

6. Transportation allowance and other incidental expenses of the NEPP-Central Office Monitoring Team shall be charged to DepED-NEPP funds subject to usual accounting and auditing rules and regulations. Travel expenses of mentor-teachers and other participants can be charged to local funds or any other source of funds.

7. Immediate dissemination of this Memorandum is desired.
