DepED MEMORANDUM

No. 493, s. 2007

NEGOSYONG PANG-ESKWELA FOR TEACHERS' COOPERATIVES

To: Undersecretaries
Assistant Secretaries
Bureau Directors
Regional Directors
Schools Division/City Superintendents
Heads, Public Elementary and Secondary Schools

1. The Philippine Cooperative Center (PCC) and the Federation of Teachers' Cooperatives (FTC) is undertaking a Centralized Procurement System (CPS) project dubbed as "**Negosyong Pang-Eskwela**" in public elementary and secondary schools. The CPS is a centralized procurement system of goods and services to maximize the economies of scale thereby obtaining volume concessions from producers/manufacturers/distributors through bulk buying. Through this process, participating public school teachers' cooperatives may be able to purchase their needed supplies more efficiently and at a lesser cost, thus enabling them to sell their goods and services to teachers, school employees and students at better/reasonable prices.

2. The project aims to:

- a. increase the income and purchasing power of public elementary and high school teachers and employees; and
- b. provide quality and affordable goods and services to pupils, teachers and other public school employees.

3. The project will be piloted in forty-eight (48) schools in the National Capital Region (NCR) before it will be implemented on a nationwide basis. Enclosed is the list of the identified pilot schools. School heads and the teachers' cooperatives are encouraged to participate in the project. Teachers' cooperatives that wish to participate in the project may contact the Philippine Cooperative Center or Federation of Teachers' Cooperatives at tel. nos. 411-2686 or 723-7392.

4. Graduating students of the Polytechnic University of the Philippines (PUP) College of Cooperatives under Prof. Romulo T. Martin are willing to be deployed, as interns, to provide assistance to the teachers' cooperatives in the implementation of the CPS.

8. Immediate dissemination of this Memorandum is desired.

JESLI A. LAPUS
Secretary
