DepED MEMORANDUM No. 189, s. 2008

TEACHERS AND SCHOOL HEADS' PROFILE IN ENGLISH, SCIENCE AND MATHEMATICS

To: Regional Directors

Schools Division/City Superintendents Heads, Elementary and Secondary Schools

- 1. In line with the thrust of improving teaching competencies of teachers at the elementary and secondary levels, the schools, divisions, regions and central offices (Bureau of Elementary Education (BEE) and Bureau of Secondary Education (BSE) shall have a database of training profile of teachers and school heads. This database shall include the number of units the teachers earned in their Bachelor's degree and/or specialization and advanced degrees in English, Science and Mathematics as well as the trainings provided to these teachers and school heads in the last three years (SY 2005-2006 to SY 2007-2008).
- 2. The training profile of teachers and school heads generated by the database shall provide the bases for the training interventions of the schools, districts/divisions, regions and central offices. Thus, in consideration for the need to attain high level of English proficiency, in-service training shall ensure that all teachers (elementary and secondary) shall have at least 24 units in English either as credit units in their graduate studies or by providing equivalent trainings on English proficiency within 2 years after a given assessment period. Teachers with less than the minimum units or trainings in English shall be prioritized to succeeding trainings for English proficiency. Similar considerations shall also be standardized for all other teachers teaching Science, Mathematics and English (as a subject) to ensure that the teachers are competent in teaching their subject areas.
- 3. The training profile of teachers and school heads are divided into 4 forms which are found in Enclosure No. 1. These forms are as follows: Form A-TSHTP-School Level, Forms B1 and B2-TSHTP Division Level, Forms C1 and C2 TSHTP Regional Level, and Forms D1 and D2-TSHTP National Level.
- 4. The table below shows the designated offices to complete the specific forms and the deadline for submission of the said forms. It should be noted that the Central Office, through the Bureau of Elementary and Secondary Education (BEE and BSE), shall consolidate the training profiles of teachers

and school heads to be provided to each region. The regions will be responsible in disseminating the information to their respective constituents.
