**"THEATER WORKSHOP PROJECT"**

The Department of Education is endorsing the Theater Workshop Project of the Dulaang Sibol, an Ateneo High School theater group. This Project had earlier been endorsed also by the National Youth Commission. It is intended to use the arts as a vehicle for developing multiple intelligences and for learning the values of hard work, perseverance, discipline and camaraderie.

This Project envisions the holding of theater workshops in selected public high schools by a group from the Dulaang Sibol. The public school chosen will be informed beforehand so that ample time will be given to pick out 20 or so "gifted" students in the arts, or even those with an inclination to music and the like. The Dulaang Sibol group will travel from one public high school to another and will spend three days of training and workshops with the pulled-out students. There will be a culminating activity, be it a play production or a mini-concert of song, dance and elocution.

The main proponent of the Theater Workshop Project is Mr. Jose Agustin Roman Bengzon IV of the Dulaang Sibol who will contact specific divisions/public high schools to participate in this Project and to provide additional detailed information. All field offices and public high schools are enjoined to cooperate with the Dulaang Sibol group in this undertaking.

For immediate dissemination.
