DepED MEMORANDUM

No. 198, s. 2008

5TH ECO-PRODUCTS INTERNATIONAL FAIR (EPIF)

To: Bureau Directors
Directors of Services/Centers and Heads of Units
Regional Directors
Schools Division/City Superintendents
Heads, Public and Private Elementary and Secondary Schools

1. The Philippines will host the 5th Eco-Products International Fair (EPIF) 2009. EPIF is one of the largest international environmental exhibitions in Asia which showcase the most advanced environment-friendly technologies, products, and services that enhance sustainable productivity and competitiveness. It provides opportunities to explore business collaborations, as well as promote public awareness of environmentally friendly products and services.
2. EPIF has been successfully staged in Malaysia in 2004, Singapore in 2006, Thailand in 2007, and this year in Vietnam. The 5th EPIF in Manila on March 19-22, 2009 will provide us an excellent opportunity to educate and engage the general public for the establishment of a sustainable society and provide local industry players with a marketing platform for exploring business collaboration and accelerating eco-awareness and expansion of green markets in the Philippines. The Fair will also give us the opportunity to showcase our country's industrial and indigenous eco-products and services. The participants are the students and teachers of public and private schools.
3. For further details, please contact Ms. Edna B. Tupas or Ms. Tina Vergara with tel. nos. (02) 631-2126 or 631-2136.
4. Immediate dissemination of this Memorandum is desired.
