DepED MEMORANDUM

No. 58, s. 2009

**DISTRIBUTION SCHEME OF TEACHER SUPPORT MATERIALS (TSM)
ON PRODUCT STANDARDS TO SELECT SECONDARY SCHOOLS**

To: Regional Directors
Schools Division/City Superintendents
Heads, Public Secondary Schools
All Others Concerned

1. The Department of Trade and Industry (DTI), in cooperation with the Department of Education (DepED) and the Philippine Product Safety and Quality Foundation (PPSQF), has developed Teacher Support Materials (TSM) that integrate the concepts of product standards in the secondary education curriculum particularly in Science III and IV, and T.L.E. particularly in Electricity.
2. The teacher support materials were developed to reinforce the Department of Education's efforts in developing students to become responsible citizens. They are helped to become more vigilant in patronizing only reasonably-priced products which are of high quality, safe to use at home, in school and in public places.
3. The TSM shall be distributed and pilot-tested in 4,522 public and private secondary schools in 59 divisions with more than 31 schools across 17 regions (Enclosure No. 1). Likewise, the schools that were involved in the validation and orientation-training conducted in 2007 may be considered (Enclosure No. 2).
4. The Regional Offices are requested to submit the list of recipient schools following the enclosed format (Enclosure No. 3), to the Bureau of Secondary Education (BSE) (Attn.: Mr. Owen M. Milambiling/Ms. Flora B. Homeres) with office address at 3/F, Bonifacio Bldg., DepED Complex, Meralco Avenue, Pasig City, telefax nos. (02) 632-7586; (02) 636-5172 or 73 on or before February 27, 2009.
5. The TSMs shall be delivered directly, by the service provider contracted by DTI, to the recipient schools selected by the regions, hence information needed in the enclosed format shall be provided.
6. The TSM shall be used by the recipient schools, where appropriate, as soon as they have received the materials.
7. Immediate and wide dissemination of this Memorandum is desired.
