LIST OF ACCREDITED PHILIPPINE SCHOOLS OVERSEAS

To: Bureau Directors
Directors of Services/Centers and Heads of Units
Regional Directors
Schools Division/City Superintendents
Heads, Public and Private Elementary and Secondary Schools
All Others Concerned

1. Reports have reached this Department that there are schools (elementary, secondary) in the Philippines which have admitted transferring students from unauthorized Philippine Schools Overseas (PSOs) or have accepted graduates from such schools.
2. To address this issue, the Department of Education (DepEd) is hereby disseminating the list of officially-authorized PSOs (copy enclosed). A Philippine School Overseas is an educational institution operating outside the Philippines, which may be fully or partly-owned by Filipinos or managed and operated by Filipinos, and implementing the Philippine education curriculum with permit or recognition from DepEd.
3. Inasmuch as the schools included in the enclosed list are the only officially authorized PSOs, school records/grades presented by Filipino students abroad and issued by alleged PSOs which are not included in the list should not be recognized nor credited.
4. Students presenting school records/grades issued by unauthorized PSOs should be required to take the Philippine Validating Test administered by DepEd for the grade/year levels attended in the unauthorized school.
5. Any school, public or private, found to have accepted transferring students from unauthorized PSOs and crediting the school records/grades issued by such schools shall be subjected to administrative action by DepEd.
6. DepEd field offices are directed to disseminate copies of this Memorandum to all public and private tertiary institutions in their region/division.
7. Immediate and wide dissemination of this Memorandum is desired.
