THE USE OF PILIPINO IN ELEMENTARY CER-  
TIFICATE AND HIGH SCHOOL DIPLOMA

To the Director of Private Schools:

1. The attention of this Office has been called to the fact that some heads of schools, colleges, and universities are not using Pilipino in their certificates and diplomas issued to their students.
2. For the information and guidance of all concerned, the enclosed translations in Pilipino for elementary certificate and secondary diploma are hereby prescribed for use during the graduation period this school year 1970-1971.
3. In the case of Chinese schools and other Filipino schools offering Chinese courses, the same certificate and diploma in Pilipino should be used during this school year 1970-1971. Certificates and diplomas in Chinese courses should also be in Pilipino with Chinese or English translations if the school so desires.
