DEPARTMENT ORDER
No. 30, s. 1973

SCIENCE IN THE REVISED SECONDARY PROGRAM

To: The Director of Public Schools
The Director of Private Schools
The Director of Vocational Education, and
Presidents of State Colleges and Universities:

1. The description of the science courses under Subject Areas.
A Brief Description, inclosed with Department Order No. 20, s. 1973, "Revised Secondary Education Program" is hereby amended to read as follows:

Science. The Natural Sciences (Biological and Physical) consist of integrated science courses with emphasis on a particular area at each year level. Science I (First Year) emphasizes physical concepts; Science II (Second Year), Biology; Science III (Third Year), Chemistry, and Science IV (Fourth Year), Physics. These courses aim to strengthen the science processes developed in the elementary grades and to acquire basic knowledge of scientific concepts and principles making the student scientifically literate and therefore a more effective citizen.

2. It is desired that all school officials and teachers be accordingly informed of this change.

(SGD.) JUAN L. MANUEL
Secretary of Education and Culture
