DEPARTMENT ORDER
No. 26, s. 1977

ADDENDUM TO DEPARTMENT ORDER NO. 42, s. 1976
(REVISED NURSING CURRICULA)

To: Bureau Directors
Regional Directors
Schools Superintendents

1. With a view to further improving the efficiency and effectiveness of graduates in various allied disciplines and providing them with opportunities for a more meaningful involvement in Community Nutrition programs, this Office, on the basis of recommendations by the National Nutrition Council, hereby prescribes changes in the Nursing curricula to take effect beginning the school year 1977-78.
2. Nutrition, presently offered as a 3-unit subject in the second semester of the second year, shall be taught as a basic nutrition course, dealing primarily with the fundamentals of nutrition (nutrients needs, functions, sources and conservation).
3. Nutrition and diet therapy shall be integrated in the following courses during the third and fourth years.
Nursing Care of Adolescents, Adults and Aged I-II
Maternal Care in Tropical and Communicable Diseases
Community Health Nursing
Mental Health and Psychiatric Nursing
4. Elementary Biochemistry (5 units) may be offered as an additional Chemistry course to provide for a stronger foundation for Nutrition and Nursing subjects. The subject may be offered in summer prior to entering Nursing proper.

(SGD.) JUAN L. MANUEL
Secretary of Education and Culture
