No. 13, s. 1979

PROFESSIONAL SUBJECTS IN NURSING, PHARMACY, AND  
MIDWIFERY NOT TO BE OFFERED IN SUMMER

To: Bureau Directors  
Regional Directors  
Schools Superintendents  
Heads of Private Schools, Colleges  
and Universities

1. It has been observed that some schools of Nursing, Pharmacy and Midwifery have offered professional subjects during the summer sessions, with the approval of the regional directors concerned. However, due to the limited number of school days in a summer session, it is not possible to provide adequate clinical experience to students in the professional subjects during that short period. Professional subjects by their very nature have to be offered during regular semesters only.
2. Accordingly, no professional subjects in Nursing, Pharmacy, and Midwifery shall be authorized/offered during summer. Professional subjects taken during summer shall not be credited.
3. Any permit or recognition for summer classes issued prior to this MEC Order which includes professional subjects in Nursing, Pharmacy, or Midwifery is hereby revoked, effective Summer, 1979, insofar as said professional subjects are concerned.
4. This Order shall take effect immediately and shall be strictly observed by all concerned.
