No. 5, s. 1982

REVISED FUNCTIONS OF THE BUREAU OF ELEMENTARY
EDUCATION AND THE REGIONAL OFFICES

To: Bureau Directors
Regional Directors
Schools Superintendents
Presidents of State Colleges
and Universities

1. In line with the implementing requirements necessary for the successful implementation of the Program for Decentralized Educational Development (PRODED), the Bureau of Elementary Education has been delegated the following line functions in addition to their staff functions:

- a. Provide regular consultative/advisory services to the regions in matters of administration, curriculum, staff and physical facilities development;
- b. Provide a coordinating mechanism to ensure an integrated approach to staff, curriculum and materials development, facilities planning, and budgeting among agencies involved;
- c. Provide technical supervision over the regions in matters pertaining to pre-elementary; elementary and special education; and
- d. Monitor and evaluate all programs and projects in elementary education to ensure that targets are met.

2. In view of the additional functions of the Bureau of Elementary Education, the Elementary Education Division of the regional offices shall likewise perform the above functions over the division and district offices.

3. Existing positions in the Bureau of Elementary Education and in the regional offices may be recommended for reclassification and depending on approval by proper authorities, implemented during the term of the project. Additional positions may be recommended for creation as the exigency of the service will require.

4. It is desired that the Order be given the widest publicity and be effected immediately.
