MECS O R D E R
No. 46, s. 1982

PROJECT IMPLEMENTATION BY EXTERNAL AGENCIES

To: Bureau Directors
Regional Directors
Schools Superintendents
Presidents, State Colleges and Universities
Heads of Private Schools, Colleges and Universities

1. It has come to the attention of this Office that some external agencies are having curriculum development projects implemented in the field without the knowledge and express consent of the office concerned in the Ministry of Education, Culture and Sports and/or the regional offices.
2. Every agency that wishes to have any of its curricular projects implemented in the field on a national scale should submit a project proposal or feasibility study to the appropriate office in the Ministry of Education, Culture and Sports for study and appropriate action. Where such curricular projects have been approved for nationwide implementation, letters relevant to the implementation of the program or project should pass through the usual official communication routes. Hence, all communications should be approved by the Minister, duly endorsed by the regional director, the schools superintendent and the district supervisor before the schools may act on them.
3. Curriculum development projects for implementation at the regional level should be submitted to the regional office for approval, while those that will be implemented only on a division level should be submitted to the office of the schools superintendent for appropriate action. Without the approval of the regional director or the schools superintendent, no external agencies may cause the implementation of any program, project or activity on curriculum development in the field.
4. Bureau directors, regional directors and schools superintendents are herewith directed to act accordingly on curriculum projects of external agencies proposed to be implemented on a national, regional or school division scale, respectively.

5. It is desired that this Order be widely disseminated.

(SGD.) OMOFRE D. CORPUZ
Minister
