MEMORANDUM to -

All Members of the Cabinet

One of the specific measures the President ordered implemented under LOI No. 1329 to attain balance of payment targets, is for us to strictly control and limit the overseas travel of government personnel, including travel of non-government employees that are supported with government funds. Notwithstanding the foregoing instructions of the President, it has been observed that there are still requests for authority to travel abroad being sent to this Office which do not appear to be absolutely necessary.

In order, therefore, that this Office can properly implement the foregoing instructions of the President, you are hereby requested to minimize requests for travel abroad in your respective ministries.

Thank you.
