INCLUSION OF A COURSE ON THE NEW ELEMENTARY SCHOOL CURRICULUM
AND OTHER PRODED COMPONENTS IN THE CURRICULUM OFFERINGS
OF THE BEED AND BSED PROGRAMS

To: Regional Directors
Presidents, State Universities and Colleges
Heads of Private Schools, Colleges and Universities
Deans, Colleges of Education

1. In the 8th Project Technical Staff-Regional Project Management Team Dialogue of the PRODED held last June 27-July 1, 1988, the issue of institutionalizing the offering of a course on the New Elementary School Curriculum and other PRODED components was recommended.
2. In this connection all teacher training institutions shall offer the basic concepts of the New Elementary School Curriculum and other PRODED components either as a separate course or integrated in the professional subjects to which they can naturally be integrated. It can also be taken up as a part of Observation and Participation or in Student Teaching. For this purpose the regional and subject area trainers expertise may be tapped by the different teacher training institutions.
3. Immediate dissemination and implementation of this Order is desired.
