Dear Secretary Quisumbing:

Actas Pambansa (BP) Blg. Iad dated 25 February 1983 provides for the mobility of disabled persons by requiring certain buildings, institutions, establishments and public utilities for public use to install facilities and other devices.

In the interest of disabled persons transacting business with government institutions, may we implore your cooperation to provide for improvised facilities, like wooden ramps and handrails especially at the ground floor, in existing buildings/premises under the jurisdiction of your Department.

Thank you for your valuable support.

Very truly yours,
