DECS ORDER
No. 8, s. 1999

**LIST OF APPROVED TEXTBOOKS AND TEACHER'S MANUALS
FOR SY 1999-2000.**

To: Undersecretaries and Assistant Secretaries
Bureau/Center/Regional Directors
School Superintendents
All Offices Concerned

1. DECS is pleased to announce the inclosed List of Textbooks and Teacher's Manuals Approved for Use in Public Schools for SY1999-2000 (Annex 1). The list includes the title, publisher, price ceiling and purchase code of each textbook and teacher's manual duly approved by the DECS Instructional Materials Council (IMC) for use in public elementary and secondary schools. Only materials found in the attached list may be purchased as textbooks and teacher's manuals by DECS Offices.

2. The ceiling prices indicated herein are for government-funded direct purchases of the materials which must adhere to DECS technical specifications (Annex 2). The ceiling prices are inclusive of delivery costs to district offices, in the case of elementary schools and delivery costs to High Schools for purchases made by the DECS Central, Regional and/or Division Offices. DECS Offices may negotiate for discounts from suppliers particularly when large volumes of purchases are involved in order to secure the best terms for the government.

3. A CY1999 DECS Catalogue of Approved Textbooks and Teacher's Manuals containing a brief description of each set of approved material found in the attached list shall be issued and distributed to the various DECS Offices and others concerned. The Catalogue is intended to complement this DECS Order and assist school officials in determining which materials to order. The CY1999 Catalogue shall include new materials approved under the Second Textbook Call and those under the First Textbook Call as contained in the CY1998 DECS Catalogue.

Tel. No. 6337208
Fax No. 6320805

4. The procurement of textbooks and teacher's manuals thru public bidding by either DECS Central or Regional Offices using lumpsum appropriations for this purpose shall be undertaken starting CY1999. This shall be without prejudice to direct purchases of materials included herein which will be allowed subject to certain conditions. Direct purchases of materials shall be allowed when funds other than the lumpsum appropriation for instructional materials (i.e., released to DECS Central and/or Regional Offices) are used (e.g., LCU/SEF funds, savings from MOOE). Direct purchases may also be allowed using amounts from the lumpsum appropriation mentioned above (e.g., balance after bidding) subject to the approval of the DECS Secretary.

5. Any purchase of textbooks and teacher's manuals shall be based on specific requests from the school principals/administrators and/or an updated inventory of available materials in the schools duly certified by the appropriate DECS official(s). The titles and quantities of materials purchased should also be consistent with educational priorities and standards. All concerned are enjoined to exercise judicious care in the procurement of these materials in order to maximize benefits for the schoolchildren.

6. For the information and guidance of all concerned,

Andrew Gonzalez
Andrew Gonzalez, FSC
Secretary *AG*

Incls.:

As stated

Prescribed Paper, Printing, Binding, and Packaging Specifications

Paper

The paper shall conform to the physical requirements given in the following table:

BODY STOCK/Uncoated Offset Textpaper

Purging process	Scrub-mechanical
Basis weight	84 gsm, $\pm 2\%$
Thickness	68% GE, minimum
Opacity	88% GE, minimum
Caliper (thickness)	64 microns, target; 100 microns, maximum
Tensile strength	
MD	750 kN/m, minimum
CD	1.1 kN/m, minimum
Tear resistance	
MD	545 mN, minimum
CD	390 mN, minimum
Color shade	White, yellow shade
Texture	Velvet/Suicub

COVER STOCK/Solid Bleached Board

Basis weight	230 gsm, $\pm 2\%$
Caliper	260 microns, maximum
Tear resistance	
MD	1814 mN, minimum
CD	1312 mN, minimum
Stiffness	
MD	4984 mg, minimum
CD	1869 mg, minimum
Formation	Formation shall be close uniform, and free from pinholes. The paper shall lie flat with no tendency to curl under normal conditions.
Roughness	The paper should be free from mechanical imperfections and loose materials, and should be capable of being run on a web printing press. It should also be non-reactive to printing chemicals like inks etc.

Printing

Printing Process: Offset lithography.

Supplementary Process:

An overprint varnish shall be adequately applied on the outside cover as a protective coating against rubbing and scratching.

The overprint varnish must be resistant to scuff, heat, and chemicals.

The varnish must have a smooth finish.

Color for Textbook (Minimum):
 Inside Pages: One (1) color
 Cover: Four (4) colors

Color for Teacher's Manual (Minimum):
 Inside Pages: One (1) color
 Cover: One (1) color

Ink: Only first class brand base ink for cover printing

Binding

- a. Perfect binding
- b. The binding adhesive shall be of high grade chemical grade, insect repellent and impervious to moisture and temperature changes. Only hot melt binding adhesive shall be used.

Packing

- a. The books shall be delivered in unused corrugated cartons packed and sealed to withstand rough handling.
- b. Each carton shall contain thirty (30) books wrapped and sealed in sets of ten (10) in a 5 mil thick polyethylene plain plastic bag or vacuum packed using gauge 75 Polyolefin (PE) for adequate protection against moisture and water damage. Textbooks and Teacher's Manuals of twenty (20) copies of each shall be contained in prescribed plastic bags separate or wrapped with Kraft paper, and affixed with sensitive labels found in the OFCS prescribed curricula. The wrapper shall be secured by 12.7 mm plastic straps with tamper or other appropriate seal.

The cartons/materials shall have these specifications as shown in Annex F:

- 1. Corrugation: A, B, C, D, E
- 2. Burst Strength: 1400 kpa/cm² ± 20% tolerance
- 3. BMD: Taped with 50.8 mm wide rigid tapes with fiber and asphalt impregnation, or equivalent tapes with books stuck or reinforced with a 10.7 mm wide plastic strip with fiber or other appropriate seal.
- 4. Top and Bottom Flip Casing: 50.8 mm Polyene Tape or its equivalent

- d. The following information shall be printed in one (1) corner of the carton in accordance with the specifications and layout to be furnished by the PURCHASER:

1. Book Title	6.	Number of Books in the Carton
2. Purchaser's Seal	7.	International Symbol of Access
3. Taped Name	8.	Specifications, Volume & Gross Weight
4. Purchaser's Address		Purchaser's Name
5. Supplier's Code
