DECS ORDER
No. 119, s. 1999

DISCONTINUANCE OF NSFD STARTING JANUARY 2000

To: Bureau Directors;
Regional Directors;
Schools Superintendents;
District Supervisors;
Private Elementary and Secondary School Principals

The Department of Education, Culture and Sports has been conducting the National School Enrollment Day (NSEED) every last Monday of January since 1994 as part of its initiative to solve the perennial problems of lack of textbooks, classrooms and teachers during the opening of classes.

However, feedback from the field showed that some parents experience financial constraints during this period which may have been the cause of low turn out of Grade 1 entrants on NSEED. Furthermore, lack of textbooks, classrooms and teachers have not been effectively addressed by the NSEED.

In view thereof, the NSEED shall cease to be implemented effective January 2000. However, regions that feel the need to conduct the NSEED may do so, provided they have adequate resources to do it. Regions which will implement the NSEED should submit a report on the activities conducted.

Wide dissemination of this Order and compliance therewith, is desired.
