No. 62 s. 2003

2003 Desks/Armchairs Procurement Program

To: Regional Directors
Schools Division/City Superintendents

1. The appropriations for the CY 2003 Desk/Armchairs Project has been set at P450 Million. Enclosed are the Guidelines for the preparation of the priority list of recipient schools to be provided with classroom furniture to be funded under the CY 2003 General Appropriations Act and the allocation per legislative district.
2. In the preparation of the list of recipient schools, please be guided by the budgetary ceiling for each congressional district and the unit cost for desk and armchairs. The Division Office should also consider the results of the Basic Education Information System Quick Count for SY 2002-2003 which provides data on school furniture needs at the school level. A color spectrum has been devised to determine which schools are in greatest need of classroom seats.
3. The priority listings in both hard and soft copies shall be submitted not later than Aug. 15, 2003 to:

The Officer-In-Charge
Physical Facilities Division
4th Floor Bonifacio Bldg.
DepEd Complex
Meralco Ave., Pasig City
Telefax (02) 633-72-63

4. For immediate dissemination and strict compliance of all concerned.

R. C. Bacani
RAMON C. BACANI
Undersecretary
Officer-In-Charge

**Guidelines for the Preparation of List of Recipient Schools for the CY 2003
Desk/Armchair Project**

1. The budgetary ceiling allocated to each congressional district is in lump sum for both elementary and secondary levels, thus the allocation for each level may be distributed based on actual needs, provided that the total allocation of the district is still followed.
2. In the preparation of the final list of recipient schools, the following should be considered for prioritization:
 - a) Highest priority shall be accorded to schools which are recipients of new schoolbuildings/classrooms under the CY 2002 Schoolbuilding Program, and the Schoolbuilding Program for School-less Barangays
 - b) Second priority should be given to schools with large shortage of classroom seats. The results of the Basic Education Information System Quick Count for SY 2002-2003 shall be used as basis in determining classroom furniture needs. The following color spectrum has been devised to determine which schools are in greatest need of classroom furniture.

Furniture-Pupil Ratio	Color Code	Analysis
.49 and below	blue	2 seats per pupil
.50 to .69	sky blue	adequate
.70 to .89	green	adequate
.90 to 1.00	yellow	adequate
1.01 to 1.99	gold	adequate in 2-shift schools
2.00 to 2.99	orange	more than 2 pupils per seat
3.0 and above	red	more than 3 pupils per seat
no seats	black	

Preference should be given to schools in the orange, red and black zones

3. The allocation of desk and armchairs for each school should not be less than 24 sets of tables & chairs for elementary and 48 armchairs for secondary.
4. For purposes of budgetary computation, the unit cost should not exceed the ff. amounts:

- a.) elementary school desk
(1 set of table & 2 chairs) - P900.00
- b.) secondary school armchair P450.00

5. In the preparation of the list, the following will be applied using the attached format.

- a.) The 10% budget for cooperatives formed by persons with disability may be allocated to one or two division offices
- b.) The 15% budget for other types of cooperatives may be allocated for two or three division offices.
- c.) The 75% budget shall be allocated to the remaining divisions.

6. Separate lists of recipient schools should be prepared for the following:

- a.) 10% allocation for cooperatives formed by persons with disability
- b.) 15% allocation for other types of cooperatives
- c.) 75% allocation per legislative district
