

# GMA *cabalen* to head ERC

President Arroyo appointed yesterday former Pampanga representative Zenaida Ducut as acting chairman of the Energy Regulatory Commission (ERC).

Ducut takes over from Rodolfo Albano who retired on Wednesday. Ducut, who like the President also hails from Lubao in Pampan-

ga, is concurrently deputy chief presidential legal counsel.

Executive Secretary Eduardo Ermita and Press Secretary Jesus Dureza separately made the announcements.

"She's (Ducut) a good lawyer and she's qualified," Ermita told reporters.
